

August 2021

Hey Harmonites, it's contest time!

What's in a name? We are looking for a fun creative way to refer to the new Phase 10 Park!

We will be accepting ideas, preferably in a water/river theme to be in sync with the street names in Phase 10. Please submit your name suggestions to admin@harmonyowners.com by September 7 2021. Once we have all the suggestions, we will put it out on FB for a vote. Please note: names will only be accepted for the Phase 10 park at this time and only appropriate suggestions will be put up for a vote.

The winning option will have the pride and joy of knowing their idea will be forever remembered in Harmony! Oh and maybe a small prize!

Contest is open to all! We can't wait to see your suggestions.
