**June 23, 2022**

**Dear Harmony Residents,**

We would like to communicate information regarding the upcoming **Wings Over Springbank Air Show**, which will occur on weekend of Saturday, July 23 & Sunday, July 24.

You will have a front row seat to what should be an incredible display of air power and acrobatics. Highlights will be Snow Bird fly pass, F18 fly pass, parachute team jumps and more! You can also buy tickets to the event so you and your family can participate in all the activities on the airport grounds. For more information please visit: <http://wingsoverspringbank.com>.

The Air Show runs from 10:00 am to 5:00 pm both days and is expected to draw significant visitors to the area. We wanted to advise you that traffic on the Trans Canada will be very heavy, and we expect this congestion to continue on Highway 250 around the airport. The Air Show organizers will have RCMP on-site and security patrols on the eastern border of Harmony. Also, Copithorne Trail will become a no parking/no stopping zone.

In addition, Harmony Developments Inc. will provide on-site Security at the traffic circle at Copithorne Trail and Yarrow Gate to direct traffic entering the community. Security will also be patrolling Harmony Beach area and Adventure Park. Both areas will be restricted to residents and guests with valid passes.

We would advise that if you have guests arriving to watch the airshow, that they arrive very early in the day to avoid backups on the Trans Canada.

If you do have to leave Harmony during the day, we would suggest you avoid the airport area altogether and enter/exit via west Township Road 250. This will allow you to access the Trans Canada off Highway 22 (near Jumping Pound Station / Cochrane Turnoff). See our map on the next page.

The airshow flights will not occur over the homes in Harmony. There is a strict flight show sterile 'box' that is contained within the airport lands, to the edge of the golf course. Another consideration to assist you in having a safe and enjoyable experience is the use of earplugs, particularly for young children. We understand that the fighter jets, while enjoyable to watch, can make quite a noise.

We hope you enjoy the unique experiences that living in Harmony can offer and know that we have worked closely with Wings Over Springbank to minimize the impact to our residents. Showhomes and the Discovery Centre will be open, with business as usual both days.

If you have any questions or concerns, please contact the Owners Association of Harmony at admin@harmonyowners.com or the Discovery Centre at discovery@liveinharmony.ca or 403-537-2006.

Sincerely,

**Owners Association of Harmony**
