PHIL MICKELSON

Welcome to HARMONY[®] ROCKY VIEW COUNTY

Dear Harmony residents,

We are very excited to be a part of the Harmony Family and in getting to know you, the residents of this beautiful community! As one of the many benefits of living in Harmony, you will also become a Social Member of Mickelson National Golf Club – bringing family and community together at one of the nation's most prestigious and revered golf courses.

With over 50 professional wins, winner of The Open Championship, three-time winner of the Masters Tournament and winner of the PGA Championship, Phil Mickelson seemed like the person we wanted on our team! As one of the greatest players of all time, he has had the opportunity to play many of the world's top golf courses and is keenly aware of what works for the average player as well as professional champions. As a creative shotmaker, he has an eye for creating as many options as possible from tee, all the way through the green.

All 18-holes opened on June 1, 2020 and LaunchPad, our new 7,000 square foot practice facility building on the Range opened on October 3, 2020. LaunchPad offers quick food service options in our Market Cafe, dining for over 150 in the Grille Room, a west facing patio, and our Member Lounge which Harmony residents may book at no additional charge. Our main Clubhouse broke ground on September 14, 2021.

There is something for everyone, from casual family fun to challenging championship play at Mickelson National. Information on booking tee times and reciprocal opportunities at our Windmill 'Sister Clubs' can be found on the following pages. Get Golfing! The opportunity awaits!

If you have any questions, please contact our Membership Department at memberships@mickelsonnational.com

Thank you!

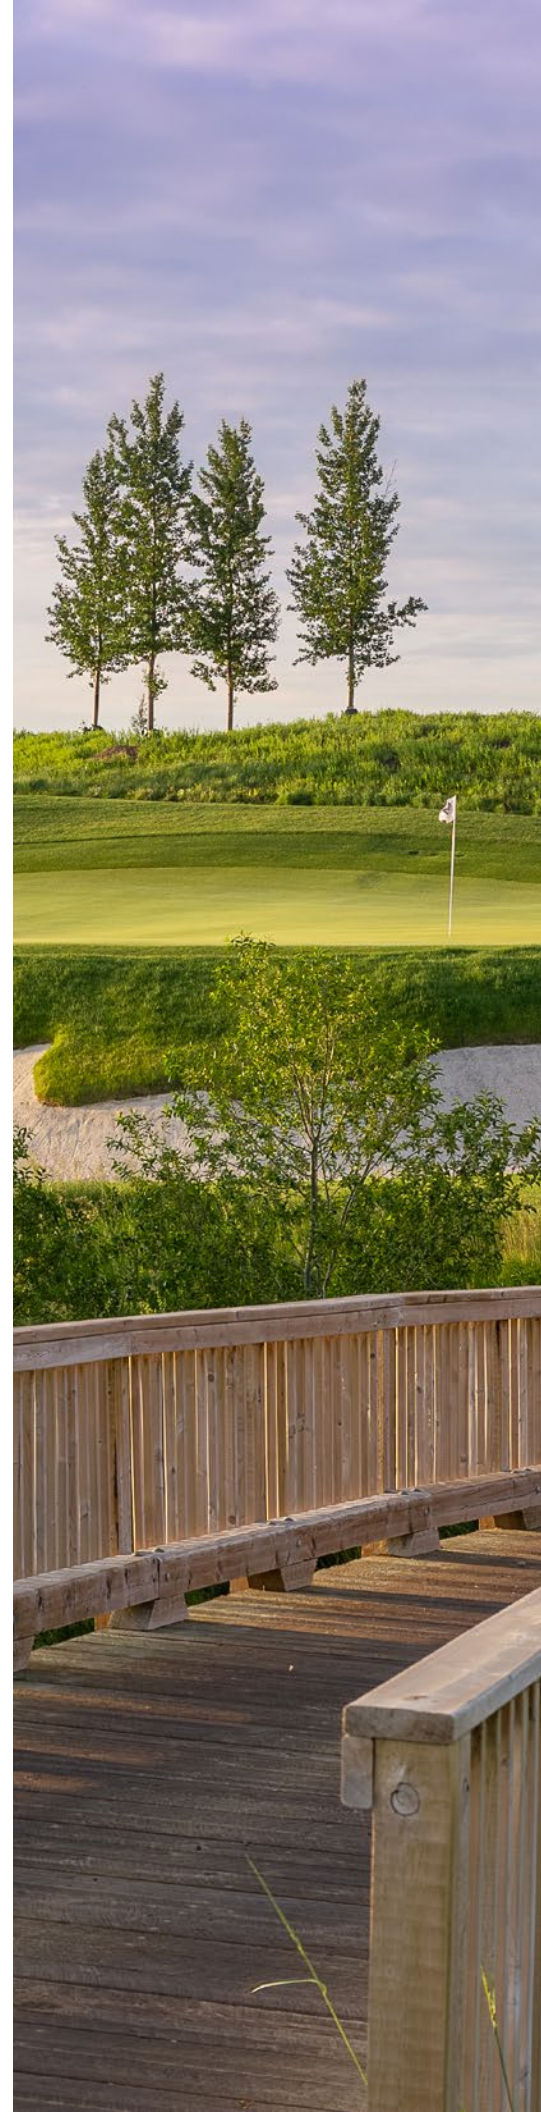

Barry Ehlert,
Owner, Managing Partner
