

2024 Community Garden

Rev. May 2024

We are pleased to announce that the Community Garden is now open for residents to sign up for a garden box seasonal rental! We operate on a first-come, first-serve basis, so we encourage you to apply promptly. You can find the [Community Garden Guidelines & Agreement](#) on our website under [Important Documents for Residents](#).

We're excited to share that this year the developer has completed the entire community garden area. We have expanded from 18 boxes to 72 boxes. The OAH has also built a shed stocked with hoses, hand sprayers, a wheelbarrow, and various supplies for your convenience. Due to these added features, a **charge of \$25 per box will be implemented this year.**

Billing for the garden box rental will be added to your yearly invoice during the 2024-2025 annual billing season which is scheduled for June.

Should you have a preference for a particular box number from previous years, please mention this in your submitted agreement, and we will make efforts to assign the same box to you. Please note that we cannot guarantee you receive the same box but will do our best to accommodate your request.

If you are interested in renting more than one box, kindly note that our primary aim is to ensure all interested residents receive at least **one box**. After we have achieved this, any additional available boxes will be assigned on a first-come, first-serve basis.

Please review the guidelines and agreement document and submit your signed copy to admin@harmonyowners.com at your earliest convenience.
